Presented by LEAP (Leadership Education for Asian Pacifics, Inc.), the LA Community Leadership Conference is a focused, 1 day leadership **training opportunity** that is open to the public. Designed by and for Asian and Pacific Islanders within the Los Angeles community, the workshops will give participants the **skills to create, elevate, and leverage their leadership skills**. Participants will **benefit from personal development, networking opportunities**, and will **learn how to help their organizations and communities**.

This conference also provides an important opportunity for the Asian American and Pacific Islander ethnic communities to meet and discuss common issues and challenges, which foster **coalition building** among community advocates.

Workshops will include: Networking, DiSC: Personal Profiling, Entrepreneurial Leadership, Advocacy, Speak to Persuade, Strategic Planning, and more!

In collaboration with: Aerospace Asian American Association (**AAAA**), Asian Professional Exchange (**APEX**), Japanese American Community Services (**JACS**), Japanese American Citizens League (**JACL**), Korean American Coalition - LA (**KAC-LA**), Organization of Chinese Americans - OC (**OCA-OC**), SEIU Local 221
